New Primary School opening near you!

The Castle Partnership Trust
ACHIEVE | BELONG | PARTICIPATE

In order to accommodate families moving into the new Comeytrowe development (Orchard Grove), Somerset County Council has recommended that The Castle Partnership Trust opens a new primary school and nursery from September 2023.

The other primary schools in the area would not have space for the growing number of families, so opening a new school and nursery within this new community will mean we can offer the best possible education to the children living in the new houses.

The newly built Orchard Grove school will be beautifully equipped with 14 classrooms (two for each year group), a large nursery, a hall with a fully equipped kitchen, a separate studio/activity space, a library, a specialist practical classroom and an extensive playground and field for play and sport.

We have a statutory duty to consult the community under Section 10 of the Academies Act 2010 and we would love to hear your thoughts, your ideas and even any concerns you may have, in relation to Orchard Grove Primary School, just off of Wellington Road, Taunton.

Please go to our website for more information regarding the future plans and to complete the online survey by 18 November 2022:

www.orchardgroveschool.co.uk

If you would like more information, or have questions you might like to ask, we will be hosting an informal drop-in session at The Castle School on Tuesday 4th October between 5.30pm and 7.00pm and we would be pleased to see you.
